Pet Haven Kennels and Cattery has been established for nearly 10 years, during which time there has been a gradual expansion in facilities culminating in the present number of some 50 kennels and 30 cat pens.

Situated on an old ten-acre farmstead site. The owners, Richard and Jully, together with two full-time staff and several part-timers, run Pet Haven.

As part of our commitment to animal welfare, we are pleased to act as contractors to the Local Police, caring for dogs which have strayed or been abandoned.

We work closely with local charities together with the RSPCA we really try to make a difference when it comes to local animal welfare.

Latest 2 dogs lost

Pethaven work closely with the RSPCA and the local police to help keep dogs that have been lost. Being associated with two companies such as this shows the level of our service and hospitality is of the highest standard. If you would like to know more about the RSPCA or the local police please click on the pictures below.
